

2010 MCP National Conference Workshop Tracks

The four tracks for this year's conference are outlined as follows:

Management Track Sessions

This track is geared to staff who are responsible for the everyday operations of the MCP grant. Staff in these positions typically focus on providing supervision and guidance to case managers and other direct support staff, creating and managing data collection and reporting, and overseeing outreach, marketing and branding efforts in the community to recruit and attract mentors, mentees, partners, and sponsors.

DAY 1 AM & PM: A. Generations at Work AM & PM: B. Harnessing the Power of Social Media	DAY 2 AM & PM: B. Staff Recruitment & Retention AM & PM: A. Successfully Integrating Your MCP Program	DAY 3 AM: A. Taking the Mystery Out of Branding E. Next Generation of Mentoring
